WARNING

Medical information is constantly evolving and being updated. Standard safety practices should be observed, and it should be acknowledged that changes in treatments and drug applications may be necessary in light of new research and clinical experiences.

Readers are advised to verify the latest product information, dosage, administration methods, and contraindications provided by the drug's manufacturer regarding medications. Determining the best treatment and the correct drugs and dosages for each patient is the responsibility of the attending physician. The publisher and editors are not responsible for any harm or damage to patients or equipment that may arise from the use of this publication.

Revolutionizing Continuous Medical Education

Welcome to ADN CoE®, where we believe in creating superior processes to achieve exceptional results. With over 15 years of experience in Continuous Medical Education (CME), we take pride in delivering unparalleled convenience and value to our esteemed partners.

At ADN CoE®, we understand the significance of fostering a strong connection between medical professionals and the latest advancements in their respective fields. Our mission is to facilitate a platform where physicians with exemplary practices and expertise can come together to share knowledge and best practices.

Our journey began with a deep-rooted motivation to address the needs of healthcare professionals like yourself, who exhibit unwavering dedication to your patients and a strong commitment to your craft. We acknowledge that continuous medical education is not just an obligation but an integral part of your growth and success as a healthcare provider.

As experts in the field of CME, we pledge to offer you a seamless and enriching experience, curating specialized events, and learning opportunities that align with your professional interests and goals. By collaborating with ADN CoE®, you gain access to a network of exceptional physicians, cutting-edge resources, and transformative insights that can shape the future of medical practice.

We are excited to embark on this journey with you, fostering a community of like-minded healthcare professionals who aspire to make a meaningful impact on patient care through continuous learning and growth. Together, let us elevate the standards of medical education and reinforce our commitment to enhancing patient outcomes.

Thank you for choosing ADN CoE® as your preferred partner in continuous medical education. We look forward to empowering your journey toward excellence.

OUR MISSION

We are dedicated to the pursuit of excellence in the dynamic healthcare landscape. We recognize the importance of continuously enhancing value and elevating quality standards. With this in mind, our mission is to foster global collaboration among esteemed medical practitioners and organizations, facilitating the exchange of knowledge. Through this exchange, we aim to uplift the standards of care and enhance the well-being of communities worldwide. Furthermore, we strive to optimize operational performance and deliver superior value to patients

& VISION

At ADN CoE, we envision a world where our comprehensive trainings and mentorship programs empower clinicians to provide optimal healthcare for all. As we train the next generation of healthcare professionals, our ultimate vision is to create an environment where their expertise supports the delivery of exceptional patient care. We are committed to providing and advancing high-quality learning opportunities for healthcare professionals who are catalysts for continuous improvements in patient care.

Interventional Oncology Fellowship Program

Program Overview:

This advanced fellowship is designed to provide radiologists and physicians involved in cancer care with comprehensive expertise in image-guided oncologic interventions.

The program integrates theoretical knowledge, real clinical cases, and procedural planning to develop proficiency in treating solid tumors using minimally invasive techniques. Fellows will learn to select appropriate therapies, interpret imaging, manage complications, and collaborate within multidisciplinary oncology teams.

Target Audience:

- Interventional Radiologists (practicing or in training)
- Diagnostic Radiologists with an interest in Interventional Oncology
- Oncologists seeking deeper understanding of image-guided therapies
- Surgeons involved in multidisciplinary cancer care

Program Structure:

Duration: Duration: 3–6 months (flexible)

Format: Online theoretical training + optional hands-on simulation modules

Key Features:

- Expert-led lectures and case discussions
- Multidisciplinary tumor board simulations
- Real-world case libraries
- Evidence-based protocols and guidelines
- Optional hands-on simulation trainings at ADN CoE's Istanbul Training Center

Program Curriculum

Module 1: Foundations of Interventional Oncology

- Principles of image-guided tumor therapies
- Role of Interventional Oncology in multidisciplinary cancer care
- Patient selection and treatment algorithms
- Pre-procedural imaging evaluation

Module 2: Structural and Functional Evaluation

- Radiofrequency ablation (RFA)
- Microwave ablation (MWA)
- Cryoablation
- Irreversible electroporation (IRE)
- Imaging guidance and safety considerations

Module 3: Transarterial Therapies

- Transarterial chemoembolization (TACE)
- Drug-eluting bead TACE (DEB-TACE)
- Transarterial radioembolization (TARE / Y-90)
- Vascular anatomy and embolization techniques
- Managing post-embolization syndrome and complications

Module 4: Organ-Specific Applications

- Liver tumors (HCC and metastases)
- Lung tumor ablation
- Renal tumor ablation
- Bone and soft tissue tumor interventions
- Palliative interventional procedures in oncology

Module 5: Complications, Outcomes & Follow-Up

- Peri-procedural risk management
- Imaging follow-up and response assessment
- Recognizing recurrence and residual disease
- Long-term outcomes and survival impact

Learning Methods:

- Live Interactive Lectures delivered by interventional oncologists and multidisciplinary specialists
- Case-Based Learning with real tumor board scenarios
- Procedure Planning Workshops using cross-sectional imaging
- Mentorship & Feedback through faculty-guided review sessions

Interventional Oncology Fellowship Program

Fellowship Application Process

- Application Deadline: At least 2 months before the intended start date
- Review Process: Applications are evaluated by the academic committee
- Interview: Shortlisted candidates will be invited for an online interview
- Program Start: Flexible start dates throughout the year

Registration Fees

Standard Registration (Hybrid Model):

€5,000 – €9,000

- includes online modules, supervised observation, simulation days, certificate.

Premium Registration (Extended Hands-on & Research)

€10,000 – €15,000

- more OR/cath-lab time, mentorship, research supervision.

Online-Only Option (For those unable to attend in-person sessions)

€2,000 – €4,000

- full access to recorded lectures, image libraries, webinars.

Additional Opportunities

- Group discounts for hospitals, universities, or research institutions
- Flexible pricing for different regions

How to Apply:

interested candidates must submit the following documents to the program director:

- **Letter of Interest:** A personal statement outlining your motivations, career aspirations, and reasons for pursuing this Fellowship Program.
- **Letters of Recommendation:** Three or more letters of recommendation from faculty members or professionals familiar with your clinical and procedural abilities.
- **Current CV:** An updated curriculum vitae detailing your education, training, clinical experience, research activities, and publications, if applicable.
- **University Diploma:** A copy of your university diploma as proof of your higher education degree.
- **High School Diploma:** A copy of your high school diploma as proof of your educational background.
- **3x5 Photo (.jpg format):** A recent photograph of yourself in 3x5 size and jpg format
- **Financial Statement:** A financial statement indicating your financial capacity for the fellowship period, preferably the latest 6
- **Exchange Suitability Certificate:** A certificate from your university indicating your suitability for participating in an exchange program, if applicable
- **Passport Documents:** Copies of your passport pages. Please ensure that your passport is valid for the duration of the fellowship period.

All application documents should be professionally submitted following specified format guidelines.

HOW TO APPLY

FELLOWSHIP APPLICATION PROCESS

- **Application Deadline:** Applications must be submitted at least 2 months before the fellowship program's start date.
- **Efficient Review:** Our team ensures a prompt review of all received applications, expediting the selection process.
- **Invitation-Only Interviews:** Shortlisted candidates will receive invitations to participate in virtual interviews conducted over Zoom.
- **Program Commencement:** The fellowship program commences on the first day of the designated month.
- **Flexible Fellowship Durations:** We offer fellowship durations ranging from 6 to 9 months, as well as one- and two-year options.
